Synopsis: The Dark Knight is the darkest take on the Batman mythos yet, examining the emotional life of the Dark Knight and his struggle to overcome a personal tragedy, while determining how much of a monster he can be. A psychological thriller, The Dark Knight takes a hard look at the line between good and evil, and what constitutes a hero. The Dark Knight is a 2008 American superhero film based on the DC Comics character Batman, directed by Christopher Nolan and written by Jonathan Nolan, produced by Wayne Enterprises chairman Bruce Wayne and his wife, Rachel, and distributed by Warner Bros. The film features an ensemble cast led by Harvey Dent/Two-Face, Christian Bale as Bruce Wayne/Batman, Michael Caine as Alfred, Gary Oldman as Commissioner Gordon, Maggie Gyllenhaal as Rachel Dawes, and Merrin Dungey as Vicki Vale. Heath Ledger stars as the Joker, a role for which he was posthumously awarded a special Academy Award for Best Actor. The film also

features Joseph Gordon-Levitt as John Blake, Megan Fox as Barbara Kean, Aaron Eckhart as Harvey Dent/Two-Face, Miranda Tate as Dr. Emily Vale, Tom Hardy as Officer James Gordon, Michael Caine as Alfred Pennyworth, and Marion Cotillard as Elektra Natchios. The film tells the story of Gotham City's protector, Bruce Wayne (Christian Bale). When the great scientist and inventor, Lex Luthor (Kevin Spacey), seizes the opportunity to kill Wayne, the billionaire develops a plan to fight back. The film also features Heath Ledger's portrayal of the Joker, a psychopathic criminal mastermind who is obsessed with world domination and a ruthless killer. The film also depicts the origins of Two-Face, the man who commits his own brutal murders after being disfigured by an acid attack. Two-Face is referred to as the "Joker" in the film, but is not the villain named Joker in the comics. When his parents were killed before his eyes, Jack Napier was adopted by the wealthy, abusive Dent family of Gotham City. As he grew up, Jack learned that his parents had been criminals, and that he was not an orphan at all. Meanwhile, the Joker is planning a massacre of the city's population. In order to protect a loved one, the Joker and Two-Face commit murders for each other. Before his parents were killed, he was told that they were waiting for him. But when he 82157476af
